

A Discussion on Pandemic Recovery Supports for Students with Disabilities

Thursday, March 3, 2022 ● 10:00am - 10:45am

For more information, please reach out to Rachel Johnston at rjohnston@dccharters.org

Are you looking for resources and technical assistance to support your students with disabilities?

Join us for a conversation with a DC public charter school special education leader Rachelle Roberts and four school partners about supporting students with disabilities during pandemic recovery. Participants will learn strategies for academic interventions, compliance, restorative justice, and trauma-informed recovery.
